

## Kingston Agricultural Commission Meeting Minutes 7/13/23

Attendance: John Wheble, Christine Nava Moulthrop, Rui Santos, Karen Johnson, Jean Landis Nauman, Barry Mathias, and Beth Corbett (arrived around 7:25)

Meeting Called to Order by John at 7:00

No voting can be done tonight because Barry, Christine, and Karen need to be sworn in. This will be an organizational meeting.

Ag Programs for 2023:

- Ag Fair: John has new signs. Jean reported that the invites had gone out. She has an impressive list. Christine mentioned that Carrie Mathias asked about doing a "Cow Poop" fundraiser for the class of 2025 at the Ag Fair. We all loved the idea so we will move forward with Carrie to try to make this happen. Beth still has the hay bales to bring. The deadline for vendors to respond is 8/10/23.
- Produce Sharing: Jean has a shelf unit, some signs, and some baskets to set up for the produce sharing. It will be set up in the gazebo at the town house. It should be set up next week. Spread the word.
- Future Programs include Bees, Native plants, and climate change.

Next meeting will be 8/10/23 at 7:00 PM

Rui made a motion to adjourn at 7:40 PM and Barry seconded the motion. Passed.

Respectfully submitted by Christine Nava Moulthrop
