Meeting ID: 917 5216 9575

Passcode: 914134

Dial by phone (voice only)

Dial: 1-929-205-6099

About the Hazard Mitigation Plan Update

The Town of Kingston has been working over the past year to update the 2015 Hazard Mitigation Plan. The draft Plan is currently available for public comment beginning June 6, 2022 through June 17, 2022. Please provide all comments to Craig Pereira, Project Manager at cpereira@horsleywitten.com by June 17, 2022.

This plan is important because it helps the Town plan and receive funding for projects that reduce the risk of injury or damage to property from future natural hazard events such as flooding and hurricanes. The Disaster Mitigation Act of 2000 places high priority on the continuation of the planning process after the initial submittal, requiring communities to seek and receive re-approval from FEMA in order to remain eligible for assistance.
